To Whom It May Concern,

The Chamber has used Celebrated Occasions for a number of events for many years. I can personally comment that Maria Dicecceo is absolutely superb to work with. She is a consummate professional with years of experience behind her. Whether the occasion is large or small, Maria approaches each event with the thoughtfulness and attention that a client is looking for. Her menu is amazing, her variety of offerings are very far ranging.

She is well known in this community for excellence in her product, her presentation and her attention to the smallest of details, making her one of the premier caterers in our region. I have recommended Maria to others both personally and professionally and have consistently gotten a thank you from these new clients.

Maria has also been a loyal Chamber member and strives to assist us in making every event that she caters a special one that we can be proud of. In the event world, this is a very important factor and one that we appreciate in those who cater for our events.

I can without hesitation recommend Celebrated Occasions to anyone both personally and professionally.

Thank You,

Karen Marsdale
