

I have been working with Maria DiCecco of Penn Square Caterers and Celebrated Occasions for over twenty years – first as owner of Flowers by VanMeter, where we worked together on many weddings and events, and more recently in my capacity as Education Director and Associate Director at Berks Women in Crisis.

Her food is always delicious, and our guests always comment on the quality of the food, and the service provided by her staff. Maria is easy to work with, anticipates our needs, and takes care of even the smallest details, providing a sense of calm in what may at times be a hectic process – event planning and execution!

I, and all of us at BWIC, highly recommend Maria's services. She is a generous person and professional business owner, and her wonderful food makes a terrific presentation!
