

Dear Maria and your wonderful staff,

I wish to thank you for the delectable food, the wonderful wait staff and for being so organized behind the scenes of the wedding reception for my daughter, Cammy and her husband Matt on Saturday, June 22, 2013.

I was so impressed to your attention to all the details such as coordinating all the vendors and assisting me in taking charge of that task.

The hor d'oeuvres that you made for Joe and each of the family tables and head table was greatly appreciated! After spending so much time getting pictures taken; it was nice to come in and see that we actually were going to get some hor d'oeuvres. My daughter was really glad that

Hor d'oeuvres were on the head table as she thought she would have missed Cocktail hour. Just a simple touch but so appreciated!

The foods on the buffet were as I said before Delicious. The Prime Rib & the Chicken Marsala was very tender. The fresh vegetables, (I was so happy that yellow beans were still in season) the rice pilaf, vegetarian lasagna and the roasted potatoes were all cooked and seasoned

perfectly! I can not tell you how many compliments I received on the food and your employees for their professionalism. This included many texts and e-mails the following day from my family and friends.

Thank you very much for all your hard work and assistance in making this a perfect day for my daughter and new son-in-law! It was a long year but a Happy Ending!

Sincerely,

Clarissa A. McDonald and Joseph K. Covely
