

Having worked with Maria DiCecco's Celebrated Occasions for the past four years, I sincerely recommend her services at the WCR Center for the Arts for a truly elegant setting with fabulous food and service without equal. She will look after your every need. She is especially known for her dependability, creativity and attention to detail. She has catered my personal parties and the comments from family and friends would best be described as rave reviews.

Louise and Thomas SOUDERS, M. D.
